Call for Exhibitors!

The Association of Biomolecular Resource Facilities (ABRF) is pleased to invite you to join us for the 2020 ABRF Annual Meeting, February 29 – March 3 in Palms Spring, CA. As the largest international organization representing shared resource cores, the ABRF Annual Meeting is the annual conference for technology-enabled multidisciplinary research. **ABRF 2020** is a unique opportunity to connect with a focused audience made up of top global scientific leaders, visionaries, and key decision makers seeking new technology and products, and identifying new trends to advance technology enabled research.

The ABRF Annual meeting is not only recognized for its educational innovation and technology expertise, but also for highly engaged attendees. In fact, virtually every single attendee visits the exhibit hall at least once, and most visit at least three times during the annual meeting.

The 2020 ABRF Annual Meeting, **ABRF 2020: Empowering Team Science** represents the collaborative energy of technology, scientific research and core leadership. **ABRF 2020** offers new programming options for and beyond the booth to drive traffic to the exhibitors, and content integral to all core laboratories, as well as targeted programming for Genomics, Core Administration Leadership/Management, Imaging, Cytometry, Bioinformatics, and Mass Spectrometry enabled 'Omics.

Who Should Exhibit? Any company with a product or service that will advance or accelerate technology enabled scientific research. Throughout the past year, ABRF has been evaluating the design and structure of the Annual Meeting to improve the integration of educational content and sponsor/exhibitor engagement with attendees. Building on the success of the 2019 Technology Showcases, **ABRF 2020** programming includes new ways to engage with the ABRF audience, including “sunrise” session presentations,

ANDREW CHITTY
President, ABRF 2019-2020
Director of University
Shared Resources (USR)
Oregon Health &
Science University

SHEENAH MISCHE
*Program Committee Chair,
ABRF 2020 Annual Meeting*
Senior Director DART/OSR
Associate Professor,
Department of Pathology,

Innovation Theatre options within the Exhibit Hall, and targeted opportunities to support specific technology programming, such as Learning Labs. Promote networking and collaboration by hosting a Business Meeting or Social Hour at **ABRF 2020!** This is the chance to gain exposure for your company, and stay connected with existing clients while engaging new potential partners.

As ABRF exhibitors and event sponsors, you are integral members of our community, providing the vast array of exciting new technology and support necessary to keep the engines of shared resource labs running!

Become a Sponsor – Sponsorship is a great way to showcase your company and products to this focused audience. ABRF sponsorship allows you to maximize your exposure, raise your profile and achieve your goals before, during and long after the conference. Since 1988, ABRF has been the most sought after venue to promote the release of a new product and network with current and prospective customers. We are happy to work with you to customize a sponsorship package that will fit the needs and goals of your company. All budgets are welcome! Contact **Delphine Tanner** regarding questions about the Annual Meeting sponsorship opportunities or how to get started.

Plan now to join us in Palm Springs to experience all that the ABRF Annual Meeting has to offer, showcasing current instruments or products, launching new products, connect with new and existing clients, and demonstrating your organization’s contribution to the success of shared resources.

It is through your support that ABRF can offer rich content and invaluable networking opportunities for all ABRF Annual Meeting attendees.

We look forward to seeing you in Palm Springs!
